On June 18th at a hotel located in Sunway of Malaysia, designated as the Official Hotel for the GT Round 4 held in Sepang, the trophy for each class of the SUPER GT taking part in this event were announced just before the opening of the very special weekend.

Alongside was another announcement made regarding the "Kids Walk"; held during the said event, an effort being promoted by the Malaysian Ministry of Youth and Sport with the declaration of, "Take the students to the motor sport", also inviting 1000 Malay youths to attend on Saturday.

In the press conference was the presence of Representative Director Masaaki Bandoh of the GTA, Mr. Ahmand Razlan Ahmad Razari the CEO of Sepang International Circuit, Andre Lotterer (No. 36 PETRONAS TOM'S SC430) on behalf of all the drivers, and also the Sepang SUPER GT Queens. Then, a TV-interview followed right after (Photo-right), which speaks for the large amount of attention drawn to SUPER GT among the local public.

Just before start of the important race weekend, Sepang International Circuit today saw many large sets of equipment delivered and carried in to set up grounds for another round of spectacular battling to unfold, with electrifying sense of intensity and excitement felt all about the air!
